Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the _____5-Year and/or X_Annual PHA Plan for the PHA fiscal year beginning 2018__, hereinafter referred to as" the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- 1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- 2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
- 3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.

 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

Truckee Artist Loft Financing Request

October 20, 2017

Downtown Truckee Investors, LP ("DTI") is the limited partnership formed to acquire, build and manage the Truckee Artist Lofts. The Managing General Partner of DTI is Community Revitalization and Development Corporation, a California non-profit corporation.

Truckee Artist Loft is a 90 unit for rent housing project with 76 affordable units,13 units at market rate units and 1 managers unit plus 3,470 square feet of street level retail.

We request a \$500,000 loan at 1% simple interest (charged only on principal) with a 55-year term secured by a deed of trust repaid from residual receipts. The purpose of the loan is to close a gap in the financing of the project. The loan would be funded contemporaneously with the closing of the construction loan. The proceeds of the loan would be used to pay for the construction of the project. We request the Airport to loan the money to the Tahoe Truckee Community Foundation which in turn will loan the money to the project. Martis Foundation structured their loan through TTCF.

After repayment of 100% of deferred developer fee, fifty percent of the residual receipt payments shall repay the general partners and the other fifty percent shall repay the residual receipts lenders with each lender receiving a payment in an amount equal to the proportion each lenders' principal amount bears to total of all residual receipt lenders. The Airport District's \$500,000 loan represents 7.09% of the total \$7,050,000 of residual receipt loans. The Airport District would therefore receive a payment of 3.55% (50% x 7.09%) of residual receipts after repayment of deferred developer fee.

The Airport's loan will be secured by a Deed of Trust. The priory of recording shall be determined by the principal amount of each secured loan with the largest loan receiving priority and the smallest loan receiving the last priority.

PI NUMBER 311

Formerly PI 220

Effective: Dec. 2, 2015 Approved: Nov 30, 2016

SUBJECT:

COMMUNITY SPONSORSHIPS AND AGENCY PARTNERSHIPS

PURPOSE:

To provide guidelines for the prudent and transparent management and administration of community sponsorships and public agency partnerships to ensure the best value of TTAD's investment and overall community benefit. The Policy will assure a fair and open process is used in the allocation of community sponsorship and public agency partnership funds.

SECTION I – POLICY OVERVIEW

The Truckee Tahoe Airport District ("District") is furthering its mission which is to provide a high level of benefit and value to all Airport District constituents. Based on available funds, the District may provide 1) sponsorships to non-profits and 2) partnerships with local public agencies that provide a high level of benefit to the constituents of the Airport District. To achieve the purpose of this policy, the following categories are established:

- 1. Community Sponsorship \$0 to \$3,000. (See Section II of Policy)
- 2. Agency Partnership \$3,001 or more. (See Section III of Policy)

The following definitions apply to all sponsorship and agency partnership categories. t. Each category of the policy has funding limits, processes, and eligibility criteria. The District funds specific programs, events or projects as opposed to organizations or public agencies in general. Therefore, requests for funding must be for programs operated by an organization or public agency as opposed to a contribution to general operating expenses. The intent is that the public will receive cultural, educational, entertainment, or safety enhancements or value from the program enhancing the awareness of and goodwill towards the District.

COMMON DEFINITIONS:

Definitions in this section apply to all sponsorship/partnership categories:

- a. **District**: For the purposes of this policy, "District" shall refer to the Truckee Tahoe Airport District (TTAD).
- a. Community Sponsorship: A sponsorship in cash to the organization or public agency which may be used to offset the costs of specific programs, outreach, and events in return for benefit to District constituents and recognition of the District and its mission. - c. In-Kind Sponsorship: Any services requiring use of District property, equipment, or resources of any means other than cash. This includes, but is not limited to staffing for events, equipment, or events and projects that require multiple days/weeks/months to complete. Donation/trade of available hangar space for storage for non-profit or other public agencies is included.
- d. Partnerships with Non-profits: Common service that has district and public benefit as a result: involves education, recreation, and environment or services that can potentially offset district cost; may be used to offset the costs of specific programs, outreach, and events. Subject to board approval; the board can award increased funding at their discretion.
- e. Organization: Includes educational institutions, public agencies, service clubs or groups, forprofit entities, and not-for-profit agencies and corporations registered to do business in the State of California or Nevada. Nevada not-for-profit agencies and for-profit entities will be considered for sponsorships if they are significantly serving residents of the District.
- f. Program: A celebration, event, fundraiser, athletic, cultural, or educational activity that demonstrates a public benefit and/or community program held for the primary purpose of raising funds for a non-profit organization and for which other intrinsic cultural, athletic, entertainment, or educational value is provided for the benefit of constituents and the advancement of the District's mission.
- g. Sphere of Influence: All areas within the political boundaries of the Airport District. Sphere of Influence may also extend to areas outside District political boundaries where the District and communities are served and potentially impacted by airport operations.
- h. Constituent: A constituent of the District includes residents, property owners, community members, and voters within the District's political boundaries. Constituents may also include individuals and groups outside the District's political boundaries, but within its Sphere of Influence.

IMPROVEMENTS TO DISTRICT ASSETS OR PROPERTY

The Board of Directors, in partnership with other public agencies, may choose to fund improvements or enhancements to District assets, which is any interest in real property, or equipment that the District owns in full or in partnership through written agreements with other public agencies. The District reserves the right to fund improvements or enhancements to these District assets or interests to assure the continued viability, upkeep, and/or public benefit of those District assets and interests.
