

ADDENDUM 5

**Jeanann Michl
1608 18th. Street
Oroville, CA 95965**

This past Thursday, June 2nd, a representative of the Regional Housing Authority of Sutter and Nevada Counties met with two Butte County Building Officials. At that time the Building Officials pulled past permit history for the property at 1608 18th Street and located the signed off building permit for the porches on the front and back of the home. Since the porches have passed inspection by County officials, the only requirement of the County at this time is for the selected Contractor to purchase a building permit for deck repairs. With this information the Housing Authority is requesting that each Contractor submit a revised bid based on the scope of work in the Work Write Up item number 2. Item number 2 will be the only line item that the Contractor will be allowed to revise.

Revised bids will be due Thursday, June 9th by 3:00 PM.
