

Devonshire Colusa, CA-Rehab Project

Dear Contractor,

Regional Housing Authority is partnering on a rehabilitation project at a 30-unit existing multi-family development in the city of Colusa, and we encourage our local sub-contractors to submit bids to General Contractor, Katerra. Please see attached scope of work and a brief project and site description.

All inquiries and questions should be directed to Jessica Dunn at Katerra. See contact information below.
