

**REGIONAL HOUSING AUTHORITY
PROJECT-BASED VOUCHER PROGRAM
REQUEST FOR PROPOSALS**

INTRODUCTION

Regional Housing Authority's (RHA) Project-Based Voucher (PBV) Program encourages property owners to make rental housing available to lower income households at rents within Section 8 Fair Market Rents. As such, RHA will be accepting applications from property developers for the Section 8 PBV Program.

PROGRAM INFORMATION

Under the PBV program, RHA enters into an assistance contract with the owner or developer for specified rental units, for a specified term (up to twenty years) subject to funding availability. Assistance or subsidy is provided while eligible households occupy the rental housing units and the units meet other program standards. To fill vacant project-based units, RHA refers households from its waiting list to the project owner. RHA subsidy standards determine the appropriate unit size for the family size and composition.

PBV assistance may be authorized for newly constructed or rehabilitated housing (units developed pursuant to an agreement for use in the PBV program).

Project-Based Vouchers can be attached to RHA-owned units. All proposals submitted for RHA units must be approved by HUD, or an independent entity selected by HUD.

Housing units and/or projects that are NOT eligible for PBV assistance include:

- Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- Nursing homes or facilities providing continuous psychiatric, medical, nursing service, board and care, or intermediate care (assistance may be approved for a dwelling unit in an assisted living facility that provides home health care service such as nursing and therapy for residents of the housing);
- Units owned or controlled by an educational institution or its affiliate and designed for occupancy by the students of the institution;
- Manufactured homes;
- Cooperative housing;
- Transitional housing;
- High-rise elevator projects for households with children;
- Owner-occupied housing;
- Units occupied by an ineligible family;
- Subsidized housing types determined ineligible in accordance with HUD regulations.

Generally, the number of PBV assisted units cannot exceed the greater of 25 units in a project or 25 percent (25%) of the total number of dwelling units a project, except as provided by

REGIONAL HOUSING AUTHORITY
RFP FOR PROJECT-BASED VOUCHER PROGRAM

regulation. Exceptions include units in a building that are specifically made available for qualifying households that are elderly or disabled, or that are receiving specific supportive services, or single family housing, defined as one to four units.

Sites selected for PBV assistance must be:

- Consistent with the goal of expanding housing and economic opportunities;
- In full compliance with the applicable laws regarding non-discrimination and accessibility requirements;
- Meet Housing Quality Standards (HQS) site standards; and
- Must meet HUD regulations for site and neighborhood standards.

Activities under the PBV program are subject to HUD environmental regulations and may be subject to review under the National Environmental Policy Act by local authorities.

When newly constructed housing sites are selected for PBV assistance, the owner must agree to develop the contract units to comply with HQS as well as compliance with HUD's broadband infrastructure requirement. RHA may elect to establish additional requirements for quality, architecture, or design of PBV housing, over and above the HQS. The owner and the owner's contractors and subcontractors must comply with all applicable State and federal labor relations laws and regulations, federal equal employment opportunity requirements and HUD's implementing regulations.

RHA will enter into a Housing Assistance Payments (HAP) contract with the owner for all sites selected and approved for PBV assistance. RHA will make housing assistance payments to the owner in accordance with the HAP contract for those contract units leased and occupied by eligible households during the HAP contract term.

RHA has no responsibility or liability to the owner or any other person for the family's behavior or suitability for tenancy. The owner is responsible for screening and selection of the family referred by RHA to occupy the owner's unit based on their tenancy histories. At least seventy-five percent (75%) of the households approved for tenancy shall be households whose annual income does not exceed thirty percent (30%) of the median income for this area as determined by HUD and as adjusted by family size.

During the course of the tenant's lease, the owner may not terminate the lease without good cause. "Good cause" does not include a business or economic reason or desire to use the unit for an individual, family or non-residential rental purpose. Upon expiration of the lease the owner may: renew the lease; refuse to renew the lease for good cause; refuse to renew the lease without good cause.

The amount of the rent to owner is determined in accordance with HUD regulations. Except for certain tax credit units, the rent to owner must not exceed the lowest of:

- An amount determined by RHA, not to exceed 110 percent of the applicable fair market rent (FMR) for the unit bedroom size minus any utility allowance;
- The reasonable rent; or

REGIONAL HOUSING AUTHORITY

- The rent requested by the owner.

Current local Fair Market Rents for determining rents are:

REGIONAL HOUSING AUTHORITY
RFP FOR PROJECT-BASED VOUCHER PROGRAM

An independent reasonable rent study will be prepared to determine the rent. The total rent to the owner for PBV assisted units consists of the tenant rent (the portion of the rent to owner paid by the family) and the rental assistance paid by RHA in accordance with the contract with the owner. RHA determines the tenant rent in accordance with HUD requirements.

A one-time administrative fee of \$1,000 per contracted voucher will be payable to RHA at the closing of the construction financing, assuming all AHAP and/or HAP documentation has been executed as well.

The rules and requirements for the Project Based Voucher Program are included in RHA's "Administration Plan", Chapter 17 Project Based Vouchers, which can be found on our website at:
